Proposal Name: New Proposal 2014 Update New

Status: Completed In Progress Delayed/Stalled Not Started Dropped

Status Description or New Proposal Description
The Village of Clarksville currently has no new proposals for consolidating services with other jurisdictions.
Jurisdictions/Organizations Involved
Collaboration with surrounding townships will be sought out and if any opportunities arise in the future, the Village will make every effort to initiate. Efforts are taken for an open line of communication with other jurisdictions for training and other services.
Estimated Savings/Improved Service or Efficiency
Barriers Experienced
Consolidation of services with other jurisdictions is not feasible due to our rural location; cost savings would not be realistic. The Village currently contracts out most services with 3 rd party contractors.
