

Village of Clarksville
Planning Commission
2014 Annual Work Program

- Sidewalks – To prioritize sidewalk repair and new construction. Work with Council to determine an appropriate annual budget amount.
- Recycling Program – Continue to look for ways to improve the Recycling Center. This includes additional services, better facilities, and additional funding from surrounding communities.
- Zoning Ordinance - Work with a third party to codify the Zoning Ordinance. Consolidating the existing ordinance with the amendments will create a single, easy to use document that can be published online.
