

Village of Clarksville
Planning Commission
2015 Annual Work Program

- Sidewalks – To prioritize sidewalk repair and new construction. Work with Council to determine an appropriate annual budget amount.
- Recycling Program – Continue to look for ways to improve the Recycling Center. This includes additional services, better facilities, and additional funding from surrounding communities.
- Master Plan - Continue to look at Goals & Actions as set forth in the 2011 Master Plan and work towards implementing them.
- Tree Grant Program - Develop a Tree Grant Program that will be available for all residents to promote beautification and reduced water runoff within the Village.
- Community Events - Expand the current offerings of community events (Ox Roast, Day in the Park, etc.). These items could include outdoor movies, ice-skating, farmers market, youth activities, etc.
- More Business Involvement – Develop ways to get local businesses more involved with Village government. Examples may include grant programs or incentives.
- Downtown Parking – Create a parking plan for the downtown area of Clarksville. The current parking lot is deteriorating and the Bible Church has expressed interest in adding off street parking.
