

Village of Clarksville  
Planning Commission  
2016 Annual Work Program

- Sidewalks – To prioritize sidewalk repair and new construction. Work with Council to determine an appropriate annual budget amount.
- Recycling Program – Continue to look for ways to improve the Recycling Center. This includes additional services, better facilities, and additional funding from surrounding communities.
- Master Plan - Continue to look at Goals & Actions as set forth in the 2011 Master Plan and work towards creating an updated version to be implemented for the next 5 years.
- Better Communication Within Village – Create ways to better communicate with village residents and businesses. Examples may include a “newsletter” sent with tax forms or a mailing sent out to market grants or other items.
- Community Events - Expand the current offerings of community events (Ox Roast, Day in the Park, etc.). These items could include outdoor movies, ice-skating, farmers market, youth activities, partnering with local businesses for events, etc.
- More Business Involvement – Develop ways to get local businesses more involved with Village government. Examples may include grant programs or incentives.
- Downtown Parking – Create a parking plan for the downtown area of Clarksville. The current parking lot is deteriorating.
