

Village of Clarksville
Planning Commission Minutes
February 21, 2013

A regular monthly meeting of the Clarksville Planning Commission was held February 21, 2013 at the Clarksville Village Hall. Chairperson Robert Blocher called the meeting to order at 7 p.m.

Planning Commissioners present – Chairperson Robert Blocher , Vice Chairperson Lu Baxter, Jordan Burnie, and *ex officio* Robbie Mutschler. Absent - Kerry McMillen.

The minutes of the January 17, 2013 meeting were read and approved.

Safe Routes to School estimated project costs were reviewed. Due to the small student population within the Village and limited easement widths, Planning Commission recommends new sidewalks be constructed on only one side of the street in most cases. This configuration will best fit the needs of our community for both children and citizens. Planning Commission recommends including the following projects in the grant application:

- Shared Use Path (HMA) along Second St. from W. Cross St. to High St.
- Sidewalks on both sides of W. Cross St. from Second St. to First St.
- Sidewalks on west side of Second St. from W. Cross St. to Lind Ave.
- Sidewalks on south side of Lind Ave in its entirety
- Sidewalks on south side of W. Ferney St. in its entirety
- Sidewalks on south side of McCormick St. from Main St. to Broad St.
- Sidewalks on west side of Broad St. from High St. to McCormick St.

Developing a Principal Shopping District or Downtown Development Authority were discussed. Due to the long return on initial investment and little to no support from area business, Planning Commission recommends not creating either entity.

Lu provided an update on the mural project. The Hardware store is willing to provide their building for the mural. Lu has not yet heard from Jordan Verburg, but will follow up before next meeting.

Campbell Township has agreed to allow Day In The Park 2013 to use the township park free of charge. Lu would like the event to be bigger and better than last year's. She has been in contact with many area businesses, and is currently recruiting sponsors for this year's event.

The next Planning Commission Meeting will be held March 21, 2013.
The meeting adjourned at 8:15 p.m.
