- The Village Council approved to accept \$150 instead of \$400 for the re-zone fee once the Clarksville Library submits a Re-zone Application. This would only take place if the Board of Appeals can meet following right after a monthly council meeting and that no “special” meeting would be needed to be held.

Bob reported that he is looking for more volunteers to work Saturdays at the recycling center. He also mentioned that research should be done to find out how the recycling program can be expanded. One idea was mentioned how Ionia County may have programs that may benefit our current program.

The Planning Commission has started the first phase of reviewing and editing the current Master Plan to see as fits for the next 5 years. The new Master Plan has to be approved at the end of 2016.
